

A Prayer to Start Off Your Year

Father, I surrender my year to You, all its joys and tears,
all its victories and trials.

I want to walk in the power of Your resurrection
–rejoicing in hope, persevering in tribulation,
staying devoted to prayer. I want to draw closer to You this year
and seek Your face like never before.

Please give me the strength to be Your hands and feet
and share Your love with this world.

Remind me who You are and how You hold the whole world
in Your hands. Thank You for providing all my needs, and saving me.
May You receive all the glory this year.

In Jesus' (Yeshua's) name, amen!
